EDITORIAL

Greetings to all viewers!!!

As I proudly present 42nd edition of our school magazine, it's hard to believe how much we've accomplished over the past few months. The journey to this point has been filled with hard work, creativity, and teamwork, and I am incredibly grateful for the opportunity to have led such a talented and dedicated group of teachers.

This edition marks a milestone for us. It's a true reflection of our collective efforts, overcoming challenges, and the unique voices that make our school so special. From the early sessions to the final touches on layout and design, every step has been a labor of love. What started as a vision became a reality through the passion, dedication, and commitment of the editorial team.

I would like to take a moment to thank the Principal (Mr Shiraaz Ali) and the school Bursar (Mrs Kevlin Chand) for their unwavering support and encouragement. Their belief in this project has been a constant source of motivation. A special thanks also goes to our

sponsors, whose generous contributions have made this publication possible. Finally, to all our readers—thank you for your continued support. We hope this magazine brings you joy, W'inspiration, and a deeper sense of pride in our school. Here's to many more editions filled with stories, creativity, and community spirit

MESSAGE FROM THE NATIONAL PRESIDENT FIJI MUSLIM LEAGUE

Assalamu Alaikum Warahmatullahi Wabarakatuh,

It is with great pleasure and a sense of responsibility that I address you through the pages of this medium. As the National President of the Fiji Muslim League, I am immensely proud of the continued growth and success of the educational institutions under our care, including Suva Muslim College. Our commitment to providing quality education in both academic disciplines and Islamic studies remains unwavering.

The Fiji Muslim League has always viewed education as the foundation of personal and societal growth. We are deeply committed in ensuring that every student receives a well-rounded education, one that not only excels in academic achievements but also upholds the values of Islamic learning through Arabic and Quranic studies. This balance is crucial in shaping individuals who are not only knowledgeable but also morally grounded.

The challenges facing our young generation have become increasingly complex, with drug abuse and other societal issues threatening their future. As an organization, the Fiji Muslim League has placed a strong emphasis on combating these issues through education, guidance, and counseling, ensuring that our students are well-prepared to resist such negative influences. We are dedicated to working with parents, teachers, and the wider community to create a safe and nurturing environment where students can flourish without fear of distraction or harm.

Our ultimate goal is not just to educate but to inspire. We believe in unlocking the potential of every student and helping them discover strengths and talents they may not have been aware of. By encouraging curiosity, innovation, and critical thinking, we aim to shape future leaders who will not only excel in their chosen careers but also contribute meaningfully to society. The role of our schools is not merely to prepare students for exams but to guide them in discovering their true purpose and abilities.

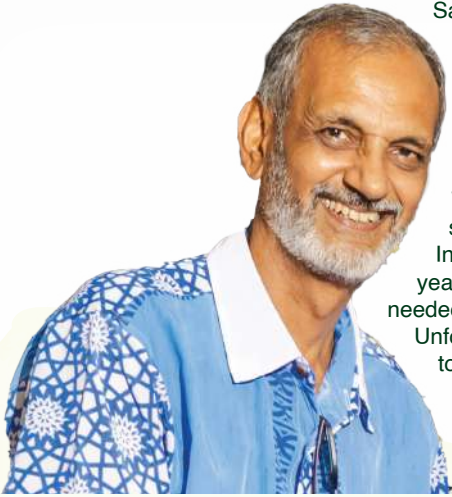

As we look towards the future, let us continue to work together, in partnership with the Ministry of Education, our parents, and the community, to nurture the next generation of leaders. The Fiji Muslim League remains steadfast in its mission to provide excellence in education, shaping individuals who are ready to take on the challenges of tomorrow with confidence and integrity.

Was Salam

Basheer Ahmed (Mr)

MESSAGE FROM THE CHAIRMAN FIJI MUSLIM LEAGUE - SUVA BRANCH

Salaamun Alaikum

It is indeed a pleasure, privilege and honour to be able to convey a message in the 42nd Edition of Zeal.

We have all been through a few years of turmoil and have had to face new challenges. In the school system, we are usually used to new challenges, and we are expected to rise to the occasion. However, the effects of COVID-19 have been a different prospect altogether.

We have never seen the effects of something like this persistently impact our students for a few years or longer.

In the formative years of their lives, students were required to stay home for the better part of 2 years. This resulted in students being promoted to their next class without fully grasping the basics needed to further their education.

Unfortunately, students with compromised numeracy, literacy and other basic skills are being forced to face challenges beyond their abilities, especially in these crucial years of their education. This will extend beyond the years in school, if this issue is not identified and addressed.

The very dedicated and hard working staff at Suva Muslim College, led by a capable Principal, Vice-Principal and Assistant Principal, have recognized this shortcoming and have mapped the way forward and are doing their best to identify and attend to the individual needs of students.

However, this hard work needs to be complemented by equal efforts from parents and guardians. To this end, we are pleading with parents and guardians to spend time with their proteges, to be able to understand and assist them with their homework and revision. If you feel that you require assistance from the staff in this regard, please feel free to discuss options with the Head of School.

Children are a blessing from the Almighty, and we have been entrusted with the responsibility to nurture them so that they can be productive members of society and the leaders of tomorrow.

Wasalaam

Tabish Akbar (Mr)

MESSAGE FROM THE SCHOOL MANAGER

As-Salaamu-Alaikum and Peace be Upon You,

It is my honor to contribute to the 2024 edition of Zeal. Reflecting on the year, I applaud the Principal, teachers, staff, students, and parents for their dedication to Suva Muslim College. This combined effort has cemented our college as a premier institution. Despite 2024's challenges, we've made significant strides in enhancing our facilities, supported by the Suva Branch of Fiji Muslim League and our generous donors, both local and international. Our focus has been not only on academic excellence but also on infrastructural improvements to provide the best learning environment.

I am delighted to report on the major project which was successfully completed. This was the SMC Girls' washroom renovation in the original 1979 Main Block during the December 2023 to January 2024 school break. The project, costing FJ\$35,000, was entirely funded by the school's Ministry of Education – Free Education Grant.

Our main priority at the end of 2024 is the upgrade of the Boys washroom, which is long overdue. We will also assist with the project management of the SMC Student Council project.

The management committee continued the Zakaat lunch programme for needy students, illustrating our commitment to student welfare. We wish to ensure that no child gets left behind.

The management have always placed a strong emphasis on Islamic and Quran studies, aligning with the goals of Fiji Muslim League. We acknowledge that Islamic education is our responsibility and not government grant funded. As such, we face budget constraints every year and rely on generous donations from individuals and organizations to fund our pool of Quran teachers, which currently stands at over \$60,000 per annum.

Looking ahead, our "Adopt a Class" initiative seeks community support in maintaining and improving our facilities. This program invites contributions towards classroom upgrades, ensuring a sustained quality educational environment.

Some of the future projects for SMC are:

1. Upgrade and Refurbishment of SMC Hardcourt
2. Construction of Toilet, Shower and Change Room facility to accompany the SMC Hardcourt
3. Upgrade and Refurbishment of SMC Boys Washroom
4. Repainting the whole school interior & exterior of classrooms – room by room
5. Lower Sports Ground refurbishment and upgrade
6. Upgrade and Refurbishment of SMC Girls Salaat Hall

PRINCIPAL'S REPORT

“School is not the end but only the beginning of an education.” – Calvin Coolidge

As we reflect on another remarkable year at Suva Muslim College, I am filled with gratitude and pride. This annual report provides an overview of our achievements, challenges, and the journey we have embarked upon together. Suva Muslim College is an institution for quality education. We strive to provide education that explores and grooms every aspect of the students' personality. We also ensure that we are actively working on the physical, social, emotional and spiritual development of our students. Our teachers educate the students to become good citizens. We emphasize much on values and togetherness.

This year, our students have demonstrated remarkable academic progress. We have seen a significant improvement, with many of our

students exceeding national subject averages. Our dedicated teachers have implemented innovative teaching methods and provided personalized support, ensuring that every student can reach their full potential. Last year we achieved 90% pass in Fiji Year 12 Certificate Examination while 98% pass in Fiji Year 13 Certificate Examination.

Beyond academics, our school has continued to promote a well-rounded education. Our extracurricular programs have flourished, with participation in sports, religious hymns, art, and clubs at an all-time high. These activities not only foster teamwork and creativity but also help our students develop essential life skills. Our students actively participated in under 15, 17 and 19 soccer and netball competitions, under 15 and 18 rugby competitions, science competition, oratory, quiz, character parade, essay writing, poster designing, team mathematics competition and Islamic competition. Ayshel Elijah Rao (Year 13) won second prize in the national ChemQuiz competition organized by the University of the South Pacific. Elenoa Grace (Year 10) was declared as the overall winner in the Year 10 grade English Oratory competition organized at Fiji Agriculture Show. Saiyad Usaidullah Hassan (Year 9) won the Southern Zone senior grade Quran Tilawat competition. Year 9 students also won the best character parade at the 2024 Agriculture show. Elenoa Grace (Year 10) won the Central division English Oratory during International Day Against Abuse and Illicit Trafficking (IDADAIT).

We believe that education extends beyond the classroom. This year, our school has engaged in numerous community service projects, including assisting students at Dilkusha Homes, organizing Iftar for our needy students, hosting a one day sports carnival with fun activities for our Nabua community and providing support for our hostel students. These initiatives have instilled a sense of responsibility and compassion in our students, emphasizing the importance of giving back to our community.

Our educators are our greatest asset. We have invested in professional development opportunities for our staff, allowing them to stay updated with the latest educational practices. Their commitment to continuous improvement is reflected in the engaging learning environments they create for our students. While we have achieved much, we have also faced challenges. These experiences, however not only strengthened our resolve but also fostered a culture of resilience within our school community.

As we look forward to the next academic year, our goals include improving existing facilities, building a modern lecture theatre for our students, upgrading sports and wellness center for our students and teachers, and enhancing technology integration in our daily learning and teaching. Together, we will continue to cultivate an environment that nurtures curiosity, respect, and a love for learning.

To conclude, I would like to express my heartfelt thanks to all parents, staff, and students for your unwavering support and dedication. Together, we have made this year a memorable one. Let us continue to work hand in hand to ensure that Suva Muslim College remains a place where every student can thrive.

Shiraaz Zohid Ali (Mr)

MESSAGE FROM THE VICE PRINCIPAL

Dear Suva Muslim College Family

As we reach the close of another fulfilling year at Suva Muslim College, it is both a privilege and a pleasure to reflect on our many accomplishments and express gratitude for the dedication and resilience shown by our students, staff, and community. It has been a year of growth, achievement, and the fostering of new opportunities, all of which have made a lasting impact on our school.

This year, we celebrated remarkable academic success, with students achieving outstanding results in national examinations and excelling in various competitions. Our focus on holistic education was evident as we also saw impressive performances in extracurricular activities, from sports victories to cultural and artistic achievements that highlighted our students' diverse talents. I am especially proud of the way our students embodied the values of respect, integrity, and perseverance in all that they undertook.

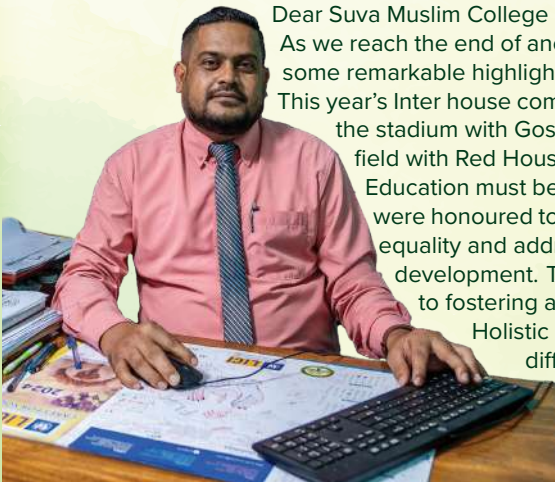

We continued to build a supportive and inclusive environment, with staff working tirelessly to implement innovative teaching methods, digital literacy programs, and support systems that ensure each student reaches their potential. Our commitment to nurturing future leaders has been steadfast, and I am delighted to see our students develop not only as learners but as responsible and compassionate individuals. Looking forward, the coming year beckons with the promise of new opportunities and avenues for growth. Our commitment to the continual enhancement of academic programs and the overall student experience remains unwavering. We shall persist in cultivating an atmosphere that encourages critical thinking, innovation, and a tireless pursuit of excellence. I wish every student and staff member continued success and fulfillment. May you all carry the spirit of Suva Muslim College with you and continue to shine brightly in all your future endeavors. To our graduating cohort, your achievements this far are a testament to your dedication and tenacity. As you embark on the next phase of your journey, carry with you the intellectual acumen and the values instilled during your tenure at Suva Muslim College.

Thank you for making this year a memorable one, and may the coming year bring even greater opportunities, triumphs and transformative experiences.

Warm regards

Kala Wati Sagar (Mrs)

MESSAGE FROM THE ASSISTANT PRINCIPAL

Dear Suva Muslim College Family

As we reach the end of another eventful academic year at Suva Muslim College, it is a pleasure to reflect on some remarkable highlights that have enriched our school community.

This year's Inter house competition was nothing short of legendary as our school shared the tracks, field and the stadium with Gospel High School. The students brought unparalleled energy and teamwork to the field with Red House emerging victorious.

Education must be relevant, equitized, accessible and contemporary to meet the learners need. We were honoured to host a vital Gender meeting with the Fiji Police Force, aimed at promoting gender equality and addressing important societal issues that have a direct impact of a child's development. The discussion was enlightening, empowered and underscored our commitment to fostering a safe and inclusive learning environment.

Holistic development programme was conducted in Term 2 with the formation of 8 different special interest groups aimed to identify and nurture the raw talents that the students presented and needed for lifelong learning.

The Student Council's charity initiative at Saint Christopher Home was a heart-warming success. The funds raised and items donated have made a significant difference in the lives of the children there. The historic Sports Carnival demonstrated once again the strength of our community. The money

collected will enable us to fund new learning resources and support to the infrastructure needed at the school.

As the nation battles against the influx drugs; its relatable issues and impact on student's lives is not only endangering but life threatening. I would like to commend the vigilant and effective team of teachers at Suva Muslim College who understood their responsibilities and advocated, guided, mentored students to stay away from such nasty substance. Suva Muslim College may not fall in the drug clustered school for now; apparently we will not be surprised if the unwarranted item enters our door. It is my urge and plea to all parents and guardians to spend quality time with your children and know every individual and routine in their learning space. Together we will ensure the safety of our students. Every child matters in our business and Fiji needs them.

Choosing the right educational environment is crucial, and Suva Muslim College stands out as a beacon of excellence. Our commitment to holistic development, coupled with strong academic curriculum, ensures that students are well prepared for the future.

As we witness the culmination to the current year and look forward to the academic year 2025, I extend my best wishes to one and all. Let us continue to strive for excellence, support one another, and embrace the opportunities ahead with enthusiasm and dedication.

MESSAGE FROM THE HEAD BOY

Assalamu Alaikum Warahmatullahi Wabarakatuh, Bula Vinaka, and Namaste,
“Our greatest weakness lies in giving up. The most certain way to succeed is always to try just one more time.” – Thomas Edison.
This profound message reminds us that in life, perseverance is key. The path to success is often filled with challenges, but it is our determination to keep trying that ultimately leads us to achieve our goals. As we reflect on this year, I strive to embrace resilience and continue working towards our aspirations.

Four years ago, I remember looking up to the headboy, wishing that one day I, too, could hold this role and serve our school community. Now, as I bid farewell, I am filled with a mix of emotions. Saying goodbye is not easy. It's quite bittersweet – sad, because I am leaving behind a place I hold so dearly in my heart, yet excited to embark on new adventures and challenges that lie ahead. First and foremost, I must express my heartfelt gratitude to the Almighty God, who has blessed us with strength, wisdom, and guidance throughout the year. Without His mercy, none of our achievements would have been possible. I would also like to extend my sincere thanks to our dedicated teachers, who have been the backbone of our success. Your unwavering commitment to nurturing and guiding us through our academic journey has been truly inspiring.

To my fellow members of the student council, our wonderful headgirl, Rabiya, and our dedicated deputies and assistants. Your support, ideas, and positivity have been crucial in all our endeavors, and I am grateful to have worked alongside such committed individuals. Our success as a student council was evident in the organization of our annual Sports Day. This event was not only a triumph in terms of participation and competitiveness but also a testament to the teamwork and camaraderie we share as a school community. The energy and spirit of the day truly reflected the passion we all have for both academics and extracurricular activities. Additionally, I am excited to report that we have made significant progress in our ongoing Student Council project—the lecture theatre. This project, which has been a dream for many of us, is now on its way to becoming a reality.

As I prepare to move forward into new opportunities, I want to encourage the next future leaders of Suva Muslim College to embrace the spirit of leadership. Remember that leadership is not just about holding a title; it's about inspiring others and working together as a team. Cherish the bonds you create and make the most of every opportunity to uplift your peers. Your commitment and dedication can truly make a difference in our school community. As I close this report, I pray that the Almighty God continues to bless each one of us with wisdom, courage, and perseverance as we look to the future.

Mohammed Aqeel Shah

MESSAGE FROM THE HEAD GIRL

Assalamu Alaikum Wa Rahmatullahi Wa Barakatuhu,
“Real leadership is about turning limitations into possibilities.” — Robin Sharma.
As the Head Girl of Suva Muslim College, I wish to take this opportunity to reflect on our collective journey over the past year. This year has been marked by a multitude of challenges, notable achievements, and remarkable growth. I am genuinely honoured to represent such a talented and dedicated group of individuals.

First and foremost, I extend my deepest gratitude to Almighty Allah (SWT) for His unwavering guidance and abundant blessings bestowed upon me. I am profoundly grateful to my parents and my fellow classmates for their steadfast support and encouragement throughout this journey. To all the amazing juniors who brightened up my early morning by being my energy boosters without them my mornings do not start. I also want to acknowledge our wonderful Head Boy without whom this journey would not have been possible, along with our precious deputies and assistants who helped pave the way.

I would also like to express my heartfelt appreciation to our esteemed teachers and staff, whose relentless dedication to our education and well-being serves as a constant source of inspiration. Your commitment has made a significant impact on our development as learners and as individuals.

As we navigate the challenges and successes of this academic year, I want to take a moment to remind each of you of your remarkable potential. The journey we are undertaking may not always be straightforward, but it is rich with opportunities for growth, learning, and transformation. I urge you all to view each challenge as a stepping stone toward your aspirations. Remember, setbacks often serve as setups for comebacks. Every obstacle you encounter provides a valuable lesson and helps you build resilience. Let us foster a mindset of perseverance and determination, with the understanding that our efforts will ultimately yield positive results.

To my fellow students, thank you for your boundless enthusiasm and creativity; it is your vibrant spirit that has made every event and initiative a resounding success. Each of you plays a crucial role in enhancing our school environment and fostering a sense of community. Let us continue to strive for excellence and support one another in all our endeavors. Together, we can create a nurturing and empowering atmosphere that allows each of us to flourish.

Greetings to all “Zeal 2024” readers!

As we reflect on 2024, it has undoubtedly been a year of challenges for our department. I would like to commend the exceptional efforts of 12 dedicated team members who have tirelessly worked to uphold our mission and vision. Their commitment to advancing Language and Literature development at Suva Muslim College has been truly remarkable.

Our department takes pride in addressing the diverse learning needs of our students by offering a wide array of intramural co-curricular activities to foster their growth. We actively participated in extracurricular events, including the essay competitions organized by the New Zealand High Commission and Westpac. A heartfelt thank you goes to our students for their diligence and enthusiasm in seizing these opportunities.

This year, we also celebrated Library Week, where students from both junior and senior classes showcased their creativity through various competitions, including poster design and storybook creation. We were delighted to see our school library enhanced with an expanded selection of fiction books, and we are deeply grateful to the administrative team for their invaluable support in enriching our library resources.

I would like to express my sincere gratitude to all the students and language teachers for their contributions to the successful teaching and learning of languages in our school. The presence of such dedicated educators has not only boosted the morale of our department but has also helped us achieve our ultimate goal of success.

I appreciate the administrative team for placing their trust in me to lead the largest department in the school.

Let's strive for a remarkable 2025!

Atish Narayan Lal (Mr)

ISLAMIYAT DEPARTMENT

Standing (L-R): Mr A. Khan (HOD) & Hafiz Aniz

In the name of Allah, the Most Beneficent, the Most Merciful.

“Acquire knowledge and teach it to the people. Learn dignity and tranquillity, for there is no good in this life and in the Hereafter except for those who possess knowledge.” – Ibn Majah

Our school community, rich in diversity, thrives through the guiding principles of Islamic teachings. These teachings act as a vibrant thread, weaving together unity, understanding, and appreciation for the values that define our shared journey.

From the pillars of faith to the intricate beauty of Islamic art and culture, this report invites you to explore the multifaceted dimensions of Islam that enrich our academic environment. These elements are fundamental to shaping our collective experiences and nurturing the moral fabric of our community.

Inspired by the belief that “knowledge should be sought from the cradle to the grave,” our college remains committed to the broader goal of producing morally upright citizens with exemplary values and behaviour. As part of this mission, several religious activities were organized throughout the year. We celebrated Shab-e-Baraat, Meeraj-un-Nabi, and Eid-ul-Fitr, during which sweets and Sawai were distributed. Additionally, our students actively participated in the Ramadhan Sehri program on Radio Fiji 2.

The Islamiyat Department also organized a successful department week, where students enthusiastically participated in Islamic quizzes, Nazm singing, and Hadith learning activities.

Moreover, the college places a strong emphasis on Quranic education, with regular morning Quran reading sessions. The day begins with the recitation of Asma-ul-Husna, Surah Yaseen, and Hadith recitations by our students. Many of our students are proficient in leading Zohar and Juma Salah, and are capable of delivering the Khutbah (sermon).

In conclusion, I would like to extend my heartfelt gratitude to our college principal, administration, management, staff, and students for their unwavering support and cooperation in all our endeavours.

Front (L-R): Mr J. Chandra, Mr V. Prasad, Mr V. Kumar (HOD), Mr V. Reddy

“The essence of mathematics is not to make simple things complicated, but to make complicated things simple.”
— S. Gudder

Greetings to you all. It is a great pleasure for me to throw some light on the department events for “ZEAL”. Mathematics and Physics are subjects seen as enhancing a student's ability in problem solving. The Mathematics and Physics Department is committed to fostering a comprehensive understanding of mathematical concepts and physical principles among students. Our mission is to inspire curiosity, encourage critical thinking, and promote problem-solving skills that are essential for success in the modern world. Some of the achievements of the department include:

1. “Solar systems to supplement the Physics experiments” with a budget of FJ\$-5,000.00’, our department has been selected for the FIJI Water Foundation 2024 Classroom Grant.
2. TEAM Mathematics Competition (TMC)
As this year unfolded, the department took part in Zonal Team Mathematics Competition (TMC) for all levels, organized by Fiji Mathematics Association. However, none of our teams qualified for the National finals.

The Mathematics and Physics Department remains dedicated to academic excellence and student success. With continued support from the administration, CAS department of Ministry of Education and active engagement from students, we are optimistic about the future and the potential to achieve our targets.

Finally, I wish to take this opportunity to thank the school administrators for their continuous guidance and support. I would like to thank the department teachers for their support and hardwork.

Vimlesh A Kumar (Mr)
HOD Mathematics / Physics

COMPUTER & OFFICE TECHNOLOGY DEPARTMENT

Back (L-R): Mrs M. Cawai, Mrs N. Kumar (HOD), Mrs L. Ifokilakeba
Sitting (L-R): Mr J. Chandra, Mrs I. Ali

It is an honor and great pleasure for me to present a brief report of the activities for the department year 2024. The department consists of 4 members: Mrs Nilesni Kumar, Ms Litiana Ifokilakepa and Mr Justin Chandra for Computer studies and Mrs Meresoni Cawai and Mrs Imrana Ali for Office Technology.

A total of 178 students opted to study computer while 240 for office technology. The department offers computer studies from Year 11 to Year 13 and office technology from Year 9 to Year 13.

The department had very encouraging external results for academic years 2023 are as follows:

- Y13CE - 100% Computer 100% Office Technology
- Y12CE - 90.5% Computer 90.9% Office Technology

Moving on we also participated in TEST week organized at school level. Competition was organized for our students in year levels. We had separate competition for junior and senior levels.

Thanking all the hardworking teachers in the department for their dedication and their co-operation in running the day to day affairs who worked collaboratively during the year, empowering our students to achieve excellent results. .

I would like to express my sincere gratitude to the college Principal and his administration team for their consistent guidance and support throughout.

SCIENCE DEPARTMENT

Back (L-R): Mrs A. Ali, Mrs D. Kumar
Front (L-R): Mrs N. Kumar, Miss S. Ranjila (HOD)

This year has been a time of change and growth for the Science Department. While we bid farewell to three of our teachers who migrated abroad, we were fortunate to welcome a new member in Term 3. Despite these changes, the team has remained committed to fostering a deep love for science among our students, encouraging them to explore, question, and understand the world around them.

Science subjects provide our students with the tools to unlock the secrets of life and matter, helping them make sense of the universe in all its complexity. Whether investigating the smallest particles or studying the intricacies of ecosystems, our students are guided to see science not just as a subject, but as a way of thinking and discovering.

In 2024, we continued to build on our tradition of excellence in both academic and extracurricular activities. Our students have shown resilience, curiosity, and enthusiasm throughout the year, and we are incredibly proud of their achievements. Among these was the outstanding performance of Elijah Rao from Year 13S, who secured second place in the ChemQuiz for the Suva zone. This was a moment of great pride for the department, and it reflects the dedication and hard work of both students and teachers alike.

We are also grateful to The Chemical Society of the South Pacific for their support in providing enriching opportunities for our students. Through various competitions and events, including Science Awareness programs, the Titration Competition, BioKnowledge Battle, ChemKnowledge Battle, and ChemQuiz, our students have broadened their horizons and sharpened their scientific skills.

As we close this chapter of 2024, we look forward with optimism, anticipating excellent exam results and continued success. May your hard work pay off and lead you to even greater achievements in the future.

Sharon Ranjila (Ms)
HOD Science

SOCIAL SCIENCE DEPARTMENT

Back: Miss Komal.D, Miss R. Deo, Mrs S. Marama
Front: Ms A. Prasad (HOD), Mrs D. Ali

It is an honor for me to present a brief report on the activities of the social science department for the year 2024. As the department head, I would like to convey my hearty thanks to Mrs. Teresia Vatutalei, Miss Lusiana Turner and Mr. John Mcgoon for their service rendered to the department.

This year the department welcomed Mrs. Doleen Ali, Miss Rashima and Miss Sera Marama. Altogether the department is run by 5 experienced and hardworking teachers.

The department offers Social Science, Geography and History subjects to 294 students this year. Social science subject is offered at year 9 and 10 levels whereas History and Geography is offered at year 11, 12 and 13.

The department was also able to achieve 100% pass rate in 2023, year 12 and 13 History and Geography external examination and the teachers are striving towards the same this year. Hearty thanks to the following teachers: Mrs Teresia Vatutalei for achieving 100% in year 13 History with the average mark of 67, Miss Komal Devi achieved 100% in year 13 Geography with the average mark of 79, Miss Lusiana Turner also achieved 100% in year 12 History with the average mark of 81.7 and Ms Ashni Prasad achieved 100% in year 12 Geography with the average of 73.5. Apart from the above milestone achievement, Miss Komal Devi from the department was able to win the \$5000 Fiji Water Grant in 2024, whereby the department was given a Laptop, a hard drive and 5 Geography models which will help the teachers and students to enhance teaching and learning.

Students also took active part during Ratu Sukuna Day celebration which was organized at the school level and won multiple prizes for themselves.

I would like to thank all the teachers for sacrificing their time in taking extra classes and helping the students prepare for the external examination.

Ashni Prasad (Ms)
HOD Social Science

COMMERCE DEPARTMENT

Back: Mrs S. Buksh, Mrs S. Rahiman, Mrs P. Raj
Front: Mr S. Ali, Mr V. Kumar (HOD)

This year was profile in terms of teaching and learning for the department. The teacher's set their respective targets for both the internal and external examinations and worked extremely hard to achieve those targets.

The external examination results were pleasing as the department was able to achieve quality pass rate in the two external examinations. Mrs. Preetika Raj was able to achieve a 100% result in the FY13CE for Economics. A special thanks to her.

I would like to show my gratitude towards the department teachers who have worked hard to uplift the academic performance of students. Together with the Administrators for their constant support towards the department and for the benefit of the students.

Virendra Kumar (Mr)
HOD Commerce

PEMAC DEPARTMENT

Standing (L-R): Miss V. Buidai & Mr N. Vunileba
Absent: Ms S. Singh (HOD)

We started off with students participating in school organised inter-house athletics competition at HFC stadium giving chance to them to showcase their skills in field and track events. Altogether, 76 students qualified for Suva Zone 1 athletics competition and 7 students made their way to Coca-Cola Games, 2024.

Our U-15, U17, and U- 19 boys took part in Fiji Secondary School's Soccer competitions. The young and talented soccer team displayed their skills gallantly while giving tough time to few schools. This year, our soccer girls were also given the opportunity to compete in the Futsal Soccer tournament organised by FFA.

Equal opportunity was given to our school's U-15 male and female rugby teams which was organised by Fiji Secondary School 7'S association. The U-17 boys also participated in dean's rugby. They displayed their talents competently and gave a tough competition to the opposing teams.

The school 's soccer and netball teams participated in the Southern Zone Muslim Competitions which was held at Nasinu Muslim Grounds and our U-15 and U-17 netball girls and U-17 and 19 boys showed stunning feat and were declared winners.

On the same note, our school's U-15, U17 and open grade girls also took part in the Fiji Secondary School Netball championship and U-15 and open grade bulldozed their way up to the semi-finals in the rallies.

Finally, I would like to thank the Management, school administration, all the dedicated coaches and managers, staff members, students, parents and well wishes for their guidance, contributions, and continuous support to make this year a successful one.

Swastika Singh (Ms)
HOD PEMAC

Keshals Business Education Institute

Who We Are

Providing quality education since 2001, and celebrating more than 2 decades of educating the people of Fiji, we are proudly 100% Fiji owned. Keshals Business Education Institute is fully recognized by the Higher Education Commission of Fiji and have graduated more than 15,000 students in various industries.

Choose us to further your higher education with affordability and quality.

Why Choose Us

Skilled Instructors

Instructors are well exposed to the industry and teach their interest areas.

Flexible Class Sessions

You can choose from various modes of study that suits you. Fiji wide coverage using online and face to face mode.

Competency Based

You get assessed from what you know at your own phase. No written exams.

Our Courses

Information Technology

- **Information Technology (Level 2)**
- TOPICS: Cyber security, Microsoft Office, Networking, Computer hardware etc.
- **Software Applications (Level 3)**
- TOPICS: Programming, Microsoft Office, Web Designing, Database Development, etc.

HOME ECONOMICS DEPARTMENT

Back(L-R): Mrs S. Lateef (HOD), Mrs N. Kumar
Sitting: Ms F. Khan

Home Economics is a field of study which deals with our young minds in today's contemporary society. In recent years a lot of changes has taken place in the subject due to the changes in the lifestyle, climate and social issues; which is of a great concern in our daily lives. It is encouraging to note that students are very much challenged to reach their full potential and take up Home Economics up to Year 13 Certificate Examination.

The department comprises of three very capable and dedicated members; Mrs Shainaz Lateef, Mrs Fazilat Khan and Mrs Nileshni Devi Kumar.

With the hardwork of these teachers we were able to achieve 100% in Y13CE AND Y12CE.

Department happenings:

- Completion of theory, research project, design folio, practical cooking and garment construction.
- TVET week – organized in WEEK 10 of Term 3. Students participated in two categories; junior and senior. Junior was further divided into Year 9 and Year 10. Students participated in preservation and enterprising -
- Enterprising Activities – students taking Home Economics carried out enterprising activities whereby they did baking and prepared other snacks and sold it to the students and teachers during recess and lunch. The key idea behind this is to teach our students how to make profit by running small business. The department was able to make profit and the money was used to replace some of the damaged appliances and some funds will be kept for next Home Economics week.
- Preservation – students were engaged in making pickles and chutney some of which were sold to the students and staff members.

I would like to sincerely thank Allah (SWT) for giving us strength and good health so that we can prosper in the teaching and learning process, also acknowledge the department teachers for the work rendered towards the department and during school programs.

I also wish to express my heartfelt thanks to our Head of School and his administration team for their consistent guidance throughout. I would like to show my hearty appreciation to the other staff members,

Shainaz Lateef (Mrs)
HOD Home Economics

AGRICULTURE DEPARTMENT

Back: Mrs M. Baravilala (HOD), Miss L. Waqainaweni
Absent: Mr A. Rohitash

It gives me immense pleasure to contribute towards the 2024 Zeal School Magazine.

Agricultural Science Department comprises of 3 members. The year 2024 so far has been quite enriching. The Department has done well both academically and practically. With the hard working team, we were able to have a 100% pass rate for both Years 12 and 13 last year (2023).

The Department participated in the TVET week with students showcasing their talents and skills through models and posters made during the week long program.

Overall, the year has Term 1 and 2 have been successful and credit goes to the department members who have worked endlessly to achieve the maximum. My appreciation also goes to the department teachers and students who made the school proud by winning the two competitions namely Oratory and Character Parade organized by Ministry of Agriculture during the Agriculture show held at Valelevu Ground, in Nasinu.

Finally, I wish to express my sincere thanks and appreciation to the Administration team for their tremendous support and guidance.

INDUSTRIAL ARTS DEPARTMENT

Back: Mr U. Prasad, Mr H. Prasad, Mr Y. Ram

Front: Mr A. Azaad

Absent: Mr S. Ram (HOD)

I sincerely wish to acknowledge the current members of the department, Mr Umesh Prasad and Mr Altaf Azaad, Mr Yashvindra Ram and Mr Hirdesh Prasad, for their dedication, commitment, continuous and consistent hard work and support that they have unconditionally carried out for the department despite the numerous challenges faced by new members in the department.

With displayed teamwork and professional attitude, I am blessed to lead experienced, spirited and enthusiastic department teachers who are all focused towards a common goal of shaping children's lives. Whatever is offered to technology students in Suva Muslim is aligned to the requirements of the job market and its standards. This is the paramount issue of the TVET department of Ministry of the Education Fiji.

I wish to also acknowledge the school management for the guidance, and support provided to the team. A proposed project for the upcoming year is to build a room to accommodate Auto CAD facilities which will be offered to our senior students in learning basic drafting's.

We have also set some very challenging targets for the external exam classes this year which will help us focused on achieving them.

We are looking forward to a very good harvest in terms of our students' internal and external examination results early next year.

Saneel Ram (Mr)
HOD Industrial Arts

LIBRARY REPORT

The Suva Muslim College Library serves as a vital resource for students and staff, promoting literacy, research skills, and a love for reading. Our Mission is to support the educational goals of our school community through diverse resources and engaging programs.

This year, our library celebrated a week long Library Week with the vibrant theme “Ready, Set, Library!” Packed with exciting activities, the week engaged and inspired our school community. Students unleashed their creativity in a bookmark competition, designed eye-catching posters, and wrote imaginative storybooks for a chance to be featured in the library.

Additionally, a sports commentary event allowed students to showcase their skills in describing live games, while a character parade invited everyone to dress as their favorite literary figures. With each activity, we aimed to highlight the joy of reading and the valuable resources our library offers.

YEAR 9A

Front (L – R): Sneha Khan, Rumaisa Mariyah, Fatima Mariam, Miss Rashima Deo, Mrs. Ashmir Ali, Umair Ali, Fatima Zohra, Sana Jannif
Middle (L – R): Aanaya Chand, Adi Wakeham, Apakuki Vurabere, Omar Shaheel, Rakhshan Ali, Zayan Khan, Farhan Khan, Muhammad Zulqarnain, Muaaz Khan, Saiyad Ali, Gideon Godromabati, Fatima Khalil, Miriama Balekana.
Back (L – R): Nur Khan, Mohammed Rayyaan, Dayyan Farish, Mohammed Khan, Abdul Shiraz, John Bruce, Abdul Faradth, Mohammed Ali, Asaeli Dolavi, Ilaitia Meo, Justice Koro, Muzzammil Buksh, Mohammed Hashmi, Ledua Yalisaya, Raaziq Alzehhaad.

The year 2024 began aboard Ship 9A, under the capable leadership of Captains Mrs. Ashmir Ali and Miss Rashima Deo, with assistance from Mariam and Umair, who also help supervise the students in the absence of teachers. **Class Dynamics:** Our students display a wide range of talents and personalities. Andrea shows a keen interest in sports, while her friend Fiza represents the nation in soccer. Miriama tends to be quieter in class, whereas Anaya stands out as a popular and hardworking student. Khalil impresses with his silent artistry, while Sana and Rumaisa excel academically. Sneha shines in both academics and art, earning her the title of the GOAT.

In the quieter corner of the class, Jevesh, Rayhaan, Muaaz, and Aryan sail through their studies with minimal noise. Among the tallest students are Ilaitia, Aseali, Justice, and John. The dynamic duo, Zayan and Farhan, while Nur embodies the belief that nothing is impossible.

Unique Personalities: Our class is filled with vibrant characters. Ledua, our favorite comedian, while Hashmi, known for his striking looks, has a significant following. Shaheel and Saiyad add an air of mystery as our storytellers, often leaving others puzzled. Shiraz excels in academics and is known for his engaging chatter. Apakuki shows promise in soccer, while Rakshan remains an enigmatic figure, hard to describe in just a few words.

Abdul and John are reliable students who consistently follow instructions, while Raaziq, with a voice reminiscent of Arjit Singh, shares a close bond with our math teacher. Izaaz, our Peter Griffin lookalike, brings humor and relatability to the class. Lastly, BUKSH radiates positive energy, and Farish entertains us as a full-time YouTuber. Zul, known for his charm, has earned the title of our local Ronaldo.

Overall, the atmosphere aboard Ship 9A is vibrant and engaging, with each student contributing their unique talents and personalities. We look forward to more memorable experiences and challenges come 2025.

YEAR 9S

Back (L-R): Senirosi, Joseva, Vatimi, Isireli, Ifereimi, Faizan, Joeli, Faizabb, Koroi, Amitesh, Aarav, Paulini

Middle (L-R): Aneesah, Pelenaisi, Elaisa, Akosita, Lusiana, Esther Taniela, Vitinia, Philly, Ahana, Esther Zobbah

Front (L-R): Raina, Kasanita, Naima, Sara, Mr Rusiate Karavaki, Roneel, Naveha, Zurainah, Sabia

Absent: Mereani, Regina, Sikeli, Simeli

Year 9S is a very friendly and crazy family. Our class teacher Mr. Rohitash is like a cool dad and he takes care of us like his own crazy children. Mrs. Tanzima Ali comforts all the students when they are feeling blue and she is like a mother for 9S. The one and only Mr. Rusiate Karavaki is the most iconic teacher ever, he is so cool and like the cool fashion icon brother for year 9S. They sometimes get annoyed of year 9S but at the end of the day they realise we are just kids having fun and working towards our dreams. Now a little tour of our crazy class students. The boy Joseva Robbin, the iconic student. Sikeli the crazy short one. Ifeiremi is smart but crazy. Isireli, the cool brother. Vatimi, the athletic one. Aarav is shy at first but once you know him, his crazy. Joeli, the quiet one. Koroi, the hyper one. Amitesh is fun to be with. Etuate is always missing in action. Faizebb, the chaotic child. Rayan, the cool class captain. The iconic girls. Vitinia very shy but crazy. Esther. T, the cool one. Naveha, very shy. Senirosi Valu and awesome friend. Lusiana very silent. Mereani and Pelenaisi, the pretty athletic girls. Aneesah, the brain cell of the class. Zurainah, the sunshine of the class. Paulini, the volcano of happiness. Esther. C, the supportive one. Naima and Muskaan are the genius ones. Philly, the crazy one but nice one in class. Raina, the gamer in the form. Elaisa is smart and a good team player. Kasanita, Akosita and Ahana are the silent killers of the form. Simili and Ifeiremi the hyper pair. Faizan, the silent one. Year 9S has some very creative students and have great interest in sports activities. This is our beautiful year 9S family for you that has a strong bonding and we all laugh, have fun, and are always supporting each other as we strive in this educational journey.

YEAR 9K

Back(L-R): Sumaylah, Mashoodah, Silvinosi, Charles, Vodocama, Ratu Lui, Zeyn, Samuela, Ratu Lino, Imran, Wendt, Zoheb, Abigail, Ana Mafi
Middle(L-R): Merewairita, Suaidah, Anaseini, Zahra, Maritha, Alia, Sylvia, Maraia, Christina, Sandra, Wajeeha, Wilisoni, Raqeebah, Ansaaria
Front(L-R): Viriseta, Ramiza, Tulia, Husna, Mrs Shivanjani Chand, Mrs Nileshni Devi Kumar, Zaysha, Ahana, Aisha, Afsha
Absent: Steven, Saiyad

We are the newbies of the high school. People say we should act like grown up and needed to be disciplined, but deep down we are still very childish. We all were taught on how to read and write but never on how to express emotion. There are many intelligent and some dummies in this class, which makes the form looks hilarious. Starting from (Ratu Lui) the boy from Kadavu, who is so annoying with his partner (Charles) the boy who snuck into Earth and met a guy who matched his energy named (SAMUELA). Then we have the quiet kids, (Saiyad, Imran, Wajeeha, Suidah, Christina and Abigail). These people do not speak at all, it's like they have a mute button pressed on them and they only speak on special occasion. Meet the grandma's of our form (Tulia, Mere and Sylvia) they speak like they are in their 70's, walk like they are in their 90's, but their brains somehow works like they are in their early 20's. Meet the Ministers of our class (Anaseini, Viriseta and Vodo), they always walk around the class as if they own it. They get scolded everyday like it's their daily routine. Meet the absentees of our class (Zarah, Sandra and Abigail) they are absent thrice a week, but these megaminds still manage to pass. Meet the trio, which consists of a yapper (Zaysha) and two laughing machines (Raqeebah and Sumaylah) they always laugh at stuff that are not funny at all. We also have the smarty pants meet (Zaysha, Sylvia and Husnah) they always pass and make the form look a bit brighter. There are two girls named (Ana Mafi and Wilisoni) aka the late comers of our class, they are mostly late because "the bus came late". And then meet (Ansaria and Aisha) these two are the quietest yet somehow the loudest girls of our class, we hardly see them talking but once their radio starts, it does not stop. We have our favorite soccer player (Zeyn). He collects all the papers from everyone. A typically brown boy who has a bad habit of gossiping. A group of muscians who can make banger songs on a spot are (Steven, Wendt and Lino). They are the best music producers in our form. Then we have our fan operator (Mashooda), she hates switching the fans on and off 24/7, but she does it anyways. Meet our forms local Miss Hibiscus; bro pulls sari better then Deepika Padukone can a.k.a (Zoheb). Meet the girl who escaped from China (Maritha) who came into contact with (Maraia) the girl who is 6 feet tall and is meant to be a basketball player. We also have the couples of the school; meet (Ahana and Alia). They always walk around the school, glancing and cant stop smiling at every student that passes by them. There is a girl named (Afsha) in our class who is so obsessed with Harry Potter and the great wall of china and is always hanging out with her closest BFF (Ramiza) the queen of slapping and sleeping during free classes. And then we saved the best for the last, our best support systems, and the moms of the form (Mrs. Shivanjani Chand and Mrs. Nileshni Kumar). They always help us out in our stressful situation and are the best gossip partners in our form.

YEAR 9M

Back Row (L-R) -Ali, Brandon, Joji, Uwais, Ayaan, Rohtak, Rahil, Erasmus, Mitieli, Caleb

Middle Row (L-R) – Nicklas, Ilfaaz, Tabualuma, Jannah, Tevita, Ameen, Jacob, Ratu, Azim, Rasekaia, Saad

Front Row (L-R) – Zunera, Nubaisha, Azifa, Mus'ab, Mrs. Marama, Saadiya, Moata, Shazleen, Taisha

Welcome to Year 9M, a class that could easily be mistaken for a circus! This lively group is known for the infectious energy, endless chatter, and a knack for turning every moment into a fun-filled adventure. Let's dive into the delightful chaos called 9M, where every student has their own unique flair! At the heart of the whirlwind are Brandon 'chatterbox', Faaiz 'Giggle' and Ameen 'Noise Machine'. These three are the life of the party, always ready to crack jokes. Then we have Nickolas 'Tiny Titan', who may be small in stature but is mighty in spirit! The best buddies, Ayaan and Ramzan, the inseparable duo, always together. Then there's Rahil and Rohtak, 'brothers from another mother'. In contrast to all the noise are Saad 'Silent boy' and Roko 'quiet storm'. You might hardly notice them in the chaos but they join in with their friends, Danish who fits in the quiet but not so quiet category. Ilfaaz 'calm kiddo' is a bit more subdued compared to Nickolas. Meanwhile, Ubaydullah and Musab are the 'Smart jokers', known for their clever quips and ability to lighten up any serious moment with laughter. Then we have Shayaan and Muzzammil, two of the most talkative in the class and Uwais the class wolverine as his haircut looks mostly like the actor in X-men. Then we have Tevita, Mitieli, Jacob, Erasmus, Ratuvuki, Tabualuma and Joeli, their ground is known as the 'laughing squad'. Half of the time you'll catch them laughing at something silly, the other half is spent trying and sometimes failing to focus in class. The girls in Year 9M add another layer of excitement. Azifa 'snack girly' and Taisha 'tall girl' are often seen munching on snacks or engaging in conversations. Francis, our tall girl loves to eat and there's Shazleen our Nadrogan queen, and lets not forget Saadiya, the 'deep voiced diva', whose booming laughter can be heard across the classroom. In a quieter corner of this lively classroom sits Mahdiya, our 'artistic angel'. Then there's Moata, our only Kiribati girl dubbed 'wanna-be-madam speaker.' Nubaisha and Zunera are our innocent yet talkative princesses. Finally we have Joji, Caleb and Azim, 'the laughing machines'. This trio is always ready for a good time, whether it's sharing jokes or arguing over trivial matters.

Last but not least, our beloved teachers, Madam Marama and Mr. Ram, also known as the 'Adoptive Parents' of the year 9M. They've embraced this chaotic bunch with open arms, guiding us through lessons while also joining in on laughter.

YEAR 10A

Back(L-R): David, Aseli, Jordon, Tyran, Wasim, Rayhan, Zayan, Alee, Solomoni, Rasheed
Middle(L-R): Saud, Umair, Shaheen, Raehaan, Aahil, Areez, mitieli, Zakir, Hahns, Sameed, Armaan
Front(L-R): Etasa, Kalolaine, Shiyana, Mrs. Doleen Ali, Mr. Yasvindra Ram, Mrs. B Virisila, Ikraam, Serai, Torika, Rahila

A very warm and special greetings from the 'Magical Seafarer' crew members of 10A. Our team comprises of 31 members of which 7 were females and 24 were males. Our ship was set sail by two spectacular captains Miss. Virisila and Mrs. Doleen assisted by two very hardworking and determined side teams or co-captains namely Shiyana and Ikraam. Our ship began its sail at the beginning of the year. It was not as smooth as expected. Everyone was a stranger to each other but as time passed, we sailed further into the calm sea where everything began to fall into place. We sure did sail through rough storms and terrible waves yet went through it as a team, AS ONE. The ups and downs did not hinder us from working together. Living together in 10A we conquered and fought for each other. Thanks to our head captains Miss. Virisila and Mrs. Ali for the tremendous support, love, care, daily discipline and counselling spiritually, academically, physically, mentally and emotionally yet most of all the GENUINE MOTHERLY LOVE! Let's not forget the team that made the 'Magical Seafarer' ship of fun, exciting, fruitful and splendid journey. As we say, "there's time for everything". Now it is time to bid our goodbyes, be an eagle and soar above your storms Until then, see you all my beautiful family in the next journey. BON VOYAGE 10A!!!

YEAR 10S

Back (Left to Right) Natasa, Peato, Viliame, Haabil, Joseph, Jones, Taniza
Middle: (Left to Right) Rayleen, Mere, Sulua, Roselline, Seruwaia R, Akisi, Melodie, Timaima, Verena
Front: (Left to Right) Fatima, Sheik, Fiona, Samuela (Form Captain), Mr. Justin Chandra (Form Teacher), Mrs. Reshmi Sharma (Form Teacher), Elenoa (Form Captain), Seruwaia M, Shaziana, Selina
Absent: Shakreen, Ashley, Aivleen, Jayden, Imanuelli, Zafeel

Year 10S marked a significant turning point in the academic journey. This year was all about exploration and growth. It was an opportunity to develop into topics that ignite our passion and begin to shape our future.

Embraced the challenges that we came across—whether it was navigating more complex coursework or preparing for assessments. Our form stayed organized and developed effective study habits; that will surely serve us well in the years to come. Students never stepped back to seek support from teachers and peers; in collaboration enhanced our understanding and made learning more enjoyable.

This year was also about self-discovery. Engaging in extracurricular activities and exploring our interests outside the classroom taking into consideration to balance our studies with self-care. Taking time for hobbies and friends was crucial for maintaining our well-being.

As our journey through Year 10, approaching each challenge with curiosity and confidence was our target. The choices we make now will set the foundation for the future!

YEAR 10K

Back(L-R): Maikali, Ruwwad, Jeremiah, Jioji, Michael, Azhar, Shohail, Anzhar

Middle(L-R): Joseph sharif, Soyaeb, Christian, Rahaan, Eshaan, Raihaan, Hamza, Wilson, Varinava, Joseph Dominiko

Front(L-R): Rusiate, Numair, Bagas, Sajid, Mr Umesh Prasad, Mrs Devina Maharaj, Asheer, Rishal, Raumaan, Maika

Absent: Meli, Zackriah

The Trouble Makers

In the heart of SMC, there's a group of boys who call themselves the "Trouble Makers." Each member, with their unique personality, has formed an unforgettable bond over the years.

Sajid is known as the "Mega Mind," the brains of the group.

Yariman takes pride as the fierce yet playful "Female Goat of Kadavu."

Numai Wilson is always up to something, mastering the art of absenteeism.

Dominiko is the soccer star, known for his athletic skills and obsession with scoring goals.

Bagas is the sleepyhead, who snores like a content cow every chance he gets.

Anzhar and Sohail often appear physically present, though mentally absent, lost in their own worlds.

Together, they are the "Masters of Gambling," a talent they take pride in.

The group also has its local legends:

Rauman is the daring "Bad Mesi" and the local version of Ronaldo.

Jiji and Jeremiah are the pranksters who enjoy annoying their teachers, with Sayeah earning the nickname "The Muffin Man."

Michael is known as the "City of Dirty" due to his quirky personality.

Neoph and Christian are the cool boys, always trying to act tough but in a loveable way.

Hamza plays the role of SRK, while Eshaan carries the title "Mr. LC 300."

Joseph S. and Rummad bring romance to the group—Joseph with his charm, and Rummad, the "Spotify of the Form," always ready with a playlist.

Raiban prefers hanging out at fast food spots, and Rahoan can't stop talking about his Prado, even when no one's listening.

Meanwhile, Maika stays innocent yet unpredictable. Rishaal, often called "Mr. Vistag," carries the role of the right-hand man.

Lastly, there's Asher, who tries hard to stand out with his loud character but often misses the mark, sometimes crossing the line with off-color jokes.

Despite their wild antics, they are united by the care they receive from Mrs. Fazlin, their second mother, and Mr. Umesh, their second father. Together, this lively group creates memories no one will forget.

YEAR 10M

Back (L-R) Tekoko, Saleha, Suwaibah, Zakrin, Tavaita, Beulah, Nuzeeb, Adeefah, Saddika, Farzana.
Middle (L-R) Mereseini, Akusita, Losalini, Princess, Nadira, Emilyn, Vatiseva, Naziya, Vanita.
Front (L-R) Umaira, Zunaira, Salma, Meemona, Miss Fazilat, Ms Ashni, Fadeelah, Alia, Nabeelah, Shabeeha.

“The College road is long with a good journey”. I would like to introduce you all to the precious jewels. Ms Ashni, the lady behind our success and discipline. Miss Fazilat the wonder woman of the form. Now come the 29 precious jewels. Zunaira, Shabeeha and Zainab, the 3 partners in crime. Nuzeeb always in search of something but god knows what. Vatiseva, the innocent one. Tekoko, the local Rapunzel and Grace, “Madam she is absent”. Naaziya, who always does her best. Nabeelah, the big brain with small features. Not forgetting, Emlyn, who is always hunting for food and Princess, who owns the wheels on the bus. Alia the best shop keeper and Akosita, the window climber. Meresaini, the laughing goat and Losalini the killer of mynah bird. Umaira, has the sweetest voice and Afreen, the silent killer. Saddika, the doctor with no degree and Vanita, the zacknight lover. Adeefa who is always in love with herself. Farzana the high heels and Saleha the beauty of the form. Meemona the well known customer of pure fiji. Nadirah the one man army and Salma who is always lost. Tavaita, the sleeping beauty and Beulah her beast (the pretty version of the beast). Suwaibah the KPOP stan and Fadeelah her biggest supporter. The journey ends here and will be missed alot.

Back(L-R): Abdul, Peniasi, Faheem, Armaan, Jone, Michael, Atunaisa, Zaid, Haaziq, Mareko, Kelepi, Robert, Fauzaan

Middle(L-R): Temalesi, Sainiana, Vasiva, Sadiyah, Fizzah, Ammaarah, Humairaa A., Roslini, Grace, Maria, Majeeda

Front(L-R): Humaira K., Violet, Ayaan, Miss Sadheshni Singh, Ms Sareeta Devi, Arishaa, Nabeeha, Zaira

Absent: Miriama, Zehaad

Welcome to keeping up with 11A where we beef harder than the Kardashians. We are the lively bunch you rarely find in one mix.

So, let's meet the 'lovely people' who make up this mix.

Fauzaan – The yapper (you can put him in any group and he'll still yap)

Armaan – Lollipop supplier (eat, sleep and hustle)

Ayaan – The tortoise

Micheal – Sleeping beauty waiting for his true love's kiss

Atu – Another chatterbox of the class

Sattar – Beloved of every teacher

Haaziq – Conman (always scavenging for food or gossip)

Peniasi – Reece walsh

Mareko – Weird noise guy

Zehaad – Always getting the lollipop

Jone – Last one to leave school

Faheem – He was the inspiration for the song 'Fein'

Kelepi – The best goalkeeper

Robert – Always digging for gold

Zaid – Local Mount Everest

Grace – Madam Speaker

Miriama – Local ice spice

Maria – The Nun, but sassy

Naliva, Tema, Roslini – our local influences, always posting on the gram

Vasiva – The grandma of the class

Violet – Rapunzel of the class

Zaira – Silent killer, always ready to snap back

Fizzah – Arishaa's abuser

Arishaa – Fizzah's victim

Majeeda – Arishaa's witness

Zubaina – Udreudre from Rakiraki

Sadiyah – Einstein 2.0

Nabeeha – Always debating in the English class

Humaira K. – Has the most gremlin-like laugh

Humaira Ali – Spicy banana (the boys don't like her coz they ain't her)

Mysha – Sugar daddy of the class

Ammaarah – Abuser in the making (following in Fizzah's footsteps)

Back (L-R): Tevita M, Fardeen A, Adil I, Materetisoro R, Kabeer E, Sailosi B, Nazeel H, Farhaan R, Raiyaan M, Fazaan H
Middle (L-R): Eric N, Tomasi T, Azhar A, Vivaan P, Iqra S, Sainiana V, Vasemaca N, Miliana N, Uzair k, Peni B, Hashim A, Josevata L
Front (L-R): Demesha S, Agnes W, Elenoa V, Miss Lal, Mrs Ali, Mr Azaad, Luke G, Iisapeci C, Madiya N, Zofisha N
Absent: Shafiza N, Lorraine N, Riyad A, Ahad D

11S Spartans we are known as, different places we come from. Where Miss Lal, Mrs Ali, and Mr Altaf take care of all of us. But when they are not there Elenoa and Luke take charge. Now we are going to start off with our two sleeping beauties Uzair and Azhar. Then we have our actors who think they are in a movie Josevata, Matereti, and Sailosi making weird noises and amusing us with their mischievous behavior. Next we have our professional soccer players Riyad, Nazeel, Faizaan, Abdul, Farhaan and Ahaad led by their captain Hashim aka the best goal keeper. Raiyaan is our brain box whereas Sainiana is our chatterbox. Daniel thinks he is still on a holiday, missing school most of the days. Our front sitters Vivaan and Iisapeci like to be in their silent world, listening very closely to what the teacher says. Our beauty queens are Eqra, Zofisha, and the one and only Lorraine aka Hittler. Moving on to the 'T' brothers; Tomasi who is good at playing volleyball and Tevita aka Mr Meo who likes to play rugby. Madiyah who acts like a grandmother likes to smile with her cool glasses. Coming up to our dragon of the class Peni aka Father of the chickens. Shafiza on the other hand is our silent killer who acts like a quiet lady but is secretly monitoring us. Next are our smurfs Eric and Dimesha and after them is Gargarmel which is Kabeer. We have our laughing machines Miliana and Vasemaca who like to laugh out loud thinking that they own the school. But before ending this note we would like to share our class motor "Meet as strangers, depart as family".

Absent: Ameer.K, Rishabh, Ikraamullah.H, Shameel.S, Elina.R, Fayth.M, Ashnika R

We started as 35 and then became 31

We came from different families but we became 1

We might have different attitudes but we understand each other.

We have different personalities and our own unique features

Now let me introduce you to my classmates but let us start with our form teachers.

Mrs Kainano our strict mother and Mrs Lagilagi our funny mother.

Starting off with our tall bean Sakiusa , side vision as Kelepi , the two silent killers Tomasi and Waisea.

Introducing our topline warriors Nathan , Jitoko the frog and Jijiwa as Jeremaiah over to Salata the cartoon of the

form .The inseparable 3 , Fayth our Samoan sister , Karen the k-drama queen and Miss.Deo's fav Stephanie.Going

to the mother of the form Jiutajia alongside the girl from the Garden Island, Luisa. Shazleen is our only Muslim sister.

Rehan and Saihan are the short talkative boys while Fadil , Ameer and Saiyad are always in their own world. The

two biggies, AKA the laughing machines, Anaseini and Akosita laughing at the sleeping beauty Elina, Litia our form

captain and Litiana the quietest one out of all. Shahaan, the lazy brainbox, Hashmi our human bank and Ikram the

Friday comer guy together with Salote the half day going girl while George and Raees our two crazy duo's , All being

filmed by our FBC News Reporter Pavaak.

Back (Left to Right) Abdul.S, Vereti, Yasin, Rihaal, Nayab

Middle: (Left to Right) Samaira, Sera, Josivini, Arieta, Mariana, Raeesha, Aliyah

Front: (Left to Right) Ameera, Shagufta, Aneeza, Ayaan (Form Captain) Miss Komal Devi (Form Teacher), Miss Litia Waqainaweni (Form Teacher), Shamia, Aisha, Nazneen

Absent: Zinat (Form Captain), Lavenia, Resina, Ansharia, Rehan, Joshua, Shahid.

11M is our form
Block 4 is where we belong
Dark cell is what our form is called
Where our year starts, with a GROG o'clock

26 is our total roll
With our marvelous queens
Miss Komal Devi and Miss Waqainaweni
Taking control and when they are gone
Our worthless form captains Zinat
and Ayaan look after the form
When different teachers come in the form
All they say is "11M is the worst but the best of all"

We have different types of characters
The BERA MAI WARRIORS
THE LOVERS HEARTBREAKERS
And some with ANGER ISSUES and even
BRAIN ISSUES
Now here comes our tooth fairy "FREDDY"
From "THE WASTE LAND" {VERETI}
JOSH the one that always annoy the teachers
Especially the Queen Komal Devi
Next our body builder {RIHAAL}
Who always hunts for food in the form
Our local singer who wants to be the next Arijit Singh
{REHAAN}
Now our bean stock Sajid oops....{shahid}
Now representing our "GROG GANG"
Slim Shady {SALIM}, Bull Mahh {YASIN}

And Big Boss [NAYAAB]

Now representing our one and only village lady

The 'SONAUA' from 'VANUABIG' [ARIETA]

And our 'Laughing Machine' from Qauia {LAVENIA}

Next our MATHS PREACHER who always uses her favourite
word 'SUBTOOTOT'

[SERA] now our BERA MAI WARRIOR

from 'NAITASIRI' [MARIANA]

Last but not the least 'THATMEHHDAMUKIDDO'

[JIOSIVINI] from KADAVU

Introducing our wanna be 'AMERICANS' [RESINA]

Who promises the Eco teacher for a 100% attendance

And one week present, two months ABSENT with her

Bossy right hand [AMEERA]. Now our two Chatter Boxes

[ANEEZA and SHAGUFTA] Next is our Beauty Kind Princess
[AISHA]

Who is quiet yet with her temper as short as her, always
hanging out with

Her innocent partner in crime [ALIYAH].

Not forgetting the two best Blind Lovers

[RAEESHA and SAMAIRA] who

Chooses the wrong Lovers and wrapping it up with 'Shama Ji'
from 'STREE 2' [SHAMIA]

And lastly our silent killer [NAZNEEN]

Absent: Summaiya Amaan, Shanaya Chaudhary, Mohammed Nehan, Abaramham Tavodi.

In the land of 12A, where chaos reigns, we've got some stories and jokes for your brains. Let me take you on a ride through our halls, where students stand tall (well some of us crawl). BOYS FIRST, so lets start the show, with Samuela and Abraham, the scientific thugs you know!! They mix up formulas but don't be deceived ,they claim they're smart, but trust me they've got tricks up their sleeve. Then theres Sisaro, the one who's quiet, you'd think he's a monk! No riot, just diet. But watch out when he speaks, you'll be surprised, he is full of wisdom, like an old man in disguise! Nehan, the legend! – Mr. Sins himself, he's got so many jobs he could be an elf. One minute he's here, the next he's gone. Don't blink too long or he'll move on. Now, meet the dynamic Trio!! Hunter, Waine, and Dan, together there're plotting some mischievious plan! They're always in sync, never apart. Three heads, one brain, and one beating heart! Ishaan, Mr. Lambu with his taper fade, looking fresh everyday, like he's just been made! He's tall, He's cool, he walks with pride, with hair so sharp it could cut your side!!

NOW THE GIRLS!! The queens of the game, each with their stories, lets call out their names; Natasha, the educated party girl! So fine she'll ace the exam, like it didn't cost her a dime! Ilisapeci and Karita, what can we say? The Reps of our scientific idiots each day. Mixing things wrong, making potions explode, but they smile and shrug, "that's just how we roll!! " Then come the fantastic ōno reps"loud and proud! Viwa, Sereima, Makereta, leading the crowd. Always in style never a bore, you won't find three cooler, walking that floor! Zahrra and Hidaayah, our yappa aunties so sweet! They gossip, they chatter, never miss a beat! You need the tea? Well just ask them, they'll spill it all, straight from the stem! Sumaiyyah and Aaisha, too tall, too short. But together they make quite a funny cohort. One reaches the top shelf, the other the floor, yet somehow together, they always want more! And then, theres Shanaya! naughty granny, we call! She's got sass and class, though she's not that tall. With them flirts and jokes, she keeps us alive, but don't mess with Granny, you'll never survive. Amira and Saaliha, the duo desksies so tight! They sit and chat like its their last night. Always together, like glue they stay! Working hard? Maybe depends on the day. NOW, a shout out to our "guardians so wise", Mr. V, Madam Fareena, and Miss Sharon! YAAAAAA, SURPRISED? They keep us in check, they keep us in line, though with us around, it's a wild ride all the time! So here's to 12A, where life is a blast! Each days a new story with memories that last! We laugh, we learn and occasionally fall, BUT TOGETHER THROUGH THE CHAOS, WE STAND FIRM AND TALL.

Last Row: Panapasa R, Petero B, Kimiora T, Iliesa V, Zain M, Shahil M, Kete C.

Middle Row: Mausio D, Rt Sailosi T, Farhan K, Rt. Joshua B, Zuhayr S, Faadhil H, Stefan R, Kemueli Y, Samson K.

Sitting: Shuity N, Radhiyah N, Selai T, Malakai T (Form Captain), Mrs. Temo V. Mafi (Form Teacher), Zahrah K (Assistant Form Captain), Karen B, Rosemund S, Resha F.

THE 12S OF 2024: A FAMILY UNSEEN

In the halls where laughter echoed wide,
Year 12S of 2024, a wild, vibrant ride.
With voices that soared, we filled every space,
A raucous ensemble, no time to erase.

From the moment we stepped through those
classroom doors,
We brought energy that opened up floors.
With jokes that could lighten the heaviest days,
We turned mundane moments into joyful displays.

Oh, the shenanigans, the stories we spun,
From pranks in the hallway to battles we won.
We wore our hearts on our sleeves, sometimes bold,
With thugish flair, our stories unfold.

There was Mrs. Mafi, with wisdom so bright,
Guiding us gently, steering our flight.
With lessons on life that went far beyond books,
She nurtured our dreams with her warm, caring looks.

And then there's Mr. Ram, our technical guide,
With creativity sparked, he stood by our side.
He showed us the art of design and precision,
Turning our visions to life with great vision.

Through mixed emotions, we danced on the edge,
Navigating challenges, we forged a strong pledge.
Some days we were fierce, with spirits unbound,

Other days, we found comfort in friendships profound.

We celebrated triumphs, both big and small,
Rallied together, we answered the call.
In moments of struggle, we leaned on each other,
Building a bond like that of a brother.

Now as we stand on the brink of what's next,
We cherish the laughter, the moments perplexed.
So here's to the memories, the loud and the free,
To the Class of 2024, forever we'll be!

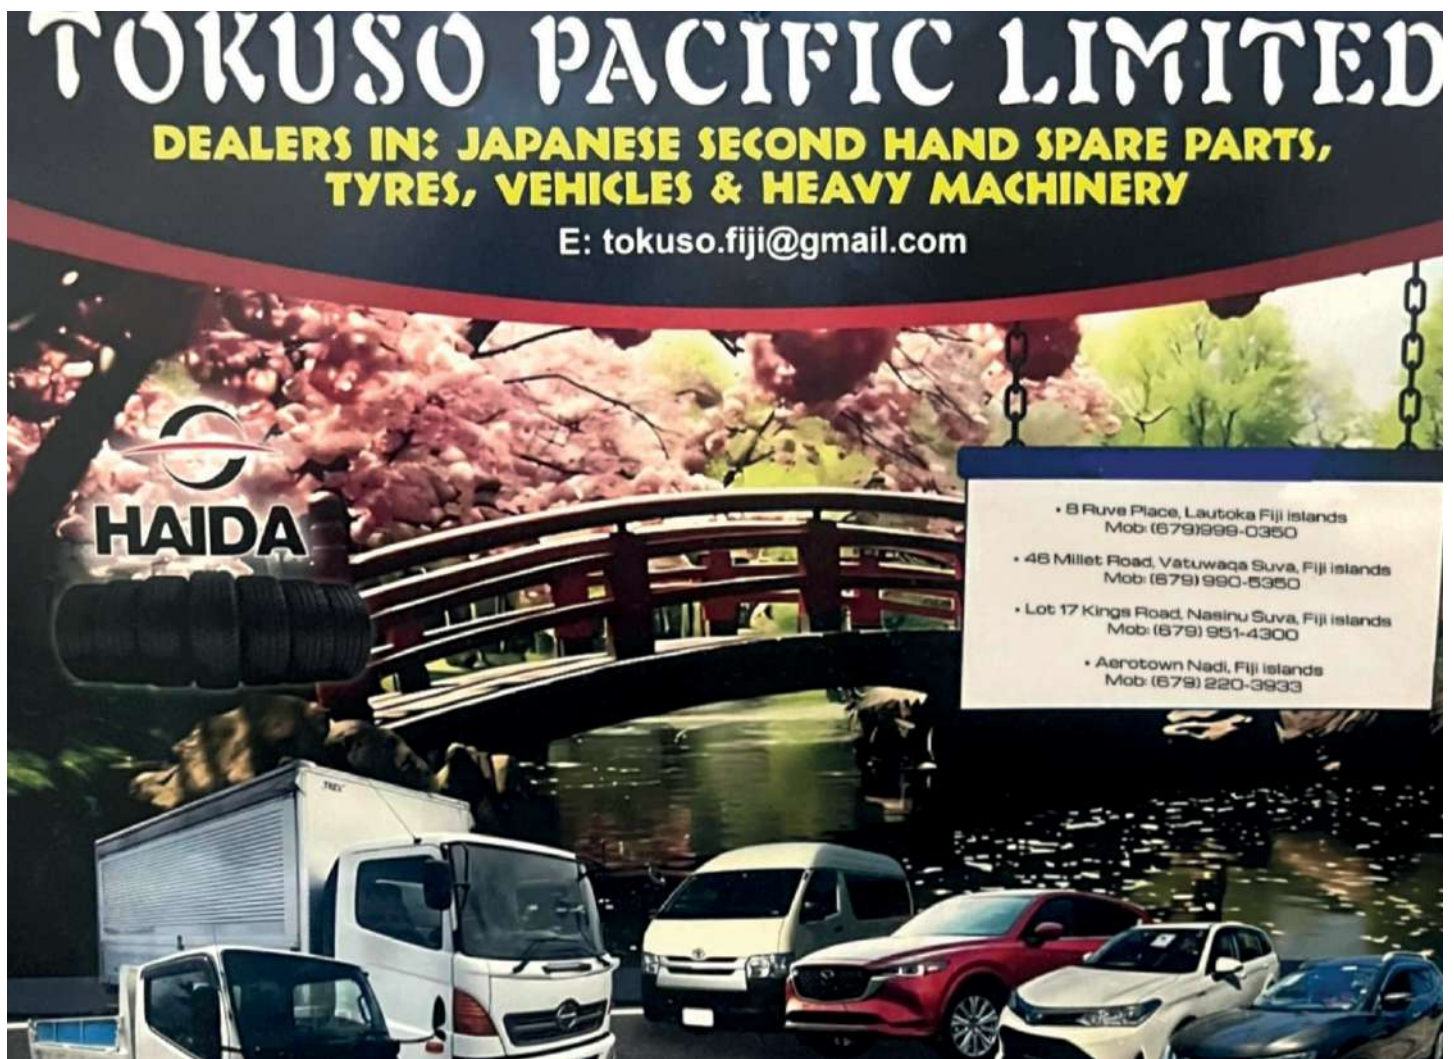

With hearts full of pride, we'll carry this flame,
In the chapters ahead, we'll honor our name.
So let's raise a toast to this incredible crew,
For the journey we've shared, and the dreams we pursue!

Front (L – R): Jiuteci Salababa, Areeba Saheb, Zabia Shabnam, Mr. Vikash Reddy, Mrs. Shivanjini Rahiman, Ameera Ali, Mahirah Ali, Tania Narayan.

Middle (L – R): Amina Sereyana, Maiza Sehrish, Vasemaca Dionisia, Ema Navicokalou, Salayawa Biunaiwasa, Ruci Volausiga, Saba Shah, Zubeda Ali, Sainimili Korolala.

Back (L – R): Shifraz Ali, Jone Tuituku, Farhaad Ishaque, Ishaan Hassan, Isimeli Bola, Timoci Sukadua, Amin Sulaiman, Wasim Hassan, Mosese Tikowale.

Welcome onboard Year 12K class known to many as a problematic class led by Mrs. Rahiman and Mr. Reddy... shouting from dawn to dusk and motivating students to keep trying. Assisted by our Year captain Ameera making sure that the class is in her favor. Sit back and relax...as we introduce you to our passengers. Wasim, Farhaad, and Amin are the three main musketeers-always together keeping the class cracking with their silly jokes while Ishaan and Mahirah our lost and found are always absent moving to shorty and troublemaker Tania and Shifraz the Shifupenda. Ledua is the class discipline troop annoyed by Timoci and Mosese, the clowns of the class with Zubeda always talking whilst Ibrahim and Saba fight like predators while Sala the Maths genius while Jone yawa, Ema and Sainimili are our village lady shouting and laughing from Point A to B. The masticators-Ameena and Mozima-chewing from morning their bestie Ruci queen of the class always laughing unconsciously assisted by our big lady Dionisia the door keeper. Our future accountants Zabia, Maiza and Aliya are innocent but mischievous. Our superior member of the class is Naviya the Maths genius while Jone and Areeba the models of the class recommended by Gambla as princess. As the year come to end we would like to thank our form teachers for their hard work and dedication who have worked tirelessly this academic year for their contribution to our teaching and learning.

The Class of 12M: Where Laughter Meets Greatness!

As we gather for our class photo, it's evident that this year has been a remarkable journey filled with laughter, learning, and unforgettable memories. Each one of us has played a vital role in creating an atmosphere brimming with positivity, where joy and support flourish.

In our classroom, laughter isn't just a sound; it's practically our second language. Our collective sense of humour has not only lightened the mood but also made the toughest subjects a little more bearable. We've cheered each other on, celebrated victories big and small, and supported one another through thick and thin. This year has taught us that greatness isn't just about individual achievements; it's about the friendships we've forged and the laughs we've shared. What's the point of success if you can't enjoy it with friends?

As we look to the future, let's carry this spirit of joy with us. The Class of 12M knows how to find the fun in every moment, whether we're tackling challenges head-on or just enjoying a well-deserved break. Who says learning can't be a good time?

So, here's to the Class of 12M- a group that understands the importance of laughter and friendship in our journey toward

greatness. Let this photo capture not just our smiles, but the joy and unity that defines us. Now, let's strike a pose and show the world that we're ready to take on anything—with a smile and a laugh!

The Legendary Year 13 Gang
In the halls of our school, we reign supreme,
Lets begin introducing the ultimate team!
Each one of whom with a quirk or flair,
Let me introduce you, the leader herself, our
one and only Swalihah herself.
Ultimately then moving on the Nazi team,
The Brave Fighters, that's Fearless Saad and
Tom,
Takes on exams like they're storming ahead.
Following the lead is Aymaan himself,
doesn't sweat, doesn't flinch, stays cool in the
heat.
While the rest of us panic, he can't be beat.
Then there's Zeyn, Hanief, Aizah, Mehwish
and Tayba (The Funny Team), Jokes for Days,

Cracking us up with their wild displays.
Whether it's pranks or a pun on cue,
We're laughing so hard, we don't know what
to do!
The Singers and Dancers? That's Pop-Star
Olivia,
Dancing in class like she's at a Grammy.
Singing her heart out, can't stay in her seat,
Even the teachers can't help but tap their feet!
The School Favourite, Everyone's Star, Zaynah
Wherever she goes, people follow her far.
Teachers love her, friends adore,
She's the icon we all can't help but cheer for.
But beware of The Silent Killer in the back —
That's Manaini, with her secret knack.
She always says much, never seems shy,

But when grades come out, She's the one to
defy.
The Back Benchers? They're Herbert, Junior,
Solomoni, Kasimiro, Adam and Shabbir.
Always chilling, giving not a spook.
While the teacher's talking, they're in their
own zone.
But trust me, they've got it all in the dome.
We've got The Snackers, Chow-Lovers
Ayesha, Talica and Rosemary,
Munching on Noodles, always hearty.
You wonder where she stores it all away,
But when it's lunchtime, you better not delay.
Then there's The Sporty Crew, Goal-King
Krish, Aneez, Zain, Wasim and Nazeel,
On the field or in class, their game is always on.
They'll talk about football till the end of the day,

But when the whistle blows, they're ready to
play.
Nuzhat the brave hunter ready with her sniper
on command.
If you provoke her she will hunt,
Ishrat the curious adventurer, the only place
you'll find her is in Nadi
The land owner and her dealers ,Litia , Maria,
Taniela ,Salakula and Ruci
Coming on the way Vasemaca, spots them
on with gold tooth shining in the sun.
Not forgetting Mother Teresa and Mona Lisa
our form teachers.
So here's to our gang, a wild, funny crew,
With personalities that shine right through.
We might drive our teachers crazy and mad,
But without us, school would be a tad too sad!

SCHOOL OF INFORMATION TECHNOLOGY, ENGINEERING, MATHEMATICS AND PHYSICS

Professor Bibhya Nand Sharma

Head of School of Information,
Technology, Engineering,
Mathematics & Physics (STEMP)

Dear Students, Parents, and Educators,

It is with great enthusiasm that I reach out to you, as we stand on the brink of a future driven by innovation, discovery, and limitless possibilities in the fields of Science, Technology, Engineering, Mathematics, and Physics.

At the University of the South Pacific, we are committed to offering the very best education and experiences to our students, preparing them for the demands of today's job market and the fascinating future professions. We are proud to offer **four fully accredited programmes**, recognised globally for their quality and rigour. We also continue to innovate and expand our offerings through multiple modes of delivery. Exciting programmes, such as the **Bachelor of Artificial Intelligence** and the **Bachelor of Cybersecurity**, will be introduced in 2026. Moreover, our state-of-the-art laboratories and cutting-edge facilities provide a hands-on learning environment where students can apply theory to real-world problems. Our labs are equipped with the latest technology, giving students the tools they need to engage in groundbreaking research and develop practical solutions to existing and future challenges.

At STEMP, we are not just educating students; we are preparing the next generation of innovators, leaders, and change-makers who will transform industries, facilitate societal change, and make a lasting impact on the world. We invite you to join us on this exciting journey and become part of a community that believes in expanding the boundaries of possibilities and supports innovative endeavours. Scan the QR codes for more information.

Thank you, and we look forward to welcoming many of you to STEMP in the near future.

PROGRAMMES OFFERED

Accredited Programmes (4-year programme):

- Bachelor of Engineering (Electrical/Electronics)
- Bachelor of Engineering (Mechanical)
- Bachelor of Networks and Security
- Bachelor of Software Engineering

Computer Science:

- Certificate
- Diploma
- Bachelor of Arts/Science

Information Systems:

- Certificate
- Diploma
- Bachelor of Arts/Science
- Bachelor of Commerce

Civil Engineering:

- Bachelor of Engineering

Mechanical Engineering:

- Bachelor of Engineering
- Bachelor of Science (Double Major)

Electrical and Electronics Engineering:

- Bachelor of Engineering
- Bachelor of Science (Double Major)

Physics:

- Bachelor of Science

Mathematics and Statistics:

- Certificate
- Diploma
- Bachelor of Arts/Science

These subjects can be taken as a Single Major, Double Major, or Minor within the programmes mentioned above.

From 2025, exit points will be available for the 4-year Bachelor's degrees, allowing students the option to complete in 2 years and graduate with a Diploma in Engineering. In 2026, we will introduce 3-year Bachelor's programmes in the fields of AI and Cybersecurity.

Many of our programmes are also available in blended mode for added flexibility.
